After the Storm Kimberly Nee

When her father's death leaves her in need of the protection of marriage, Miranda MacDonough travels from her home in Scotland to live in England with an aunt she hardly knows. There, she will learn everything necessary to make her into an acceptable society lady. The only problem is, the one man who makes her heart beat faster and her breath difficult to catch belongs to someone else. Hugh Montgomery, the Duke of Thorpeton, has spent his life doing exactly what was expected of him, right down to the woman he is expected to marry, one chosen for him. What he hadn't expected was to meet a woman such as Miranda, who will turn his world upside down and leave him torn between honoring his father's dying wish or surrendering to his desire.
