Burn for Me (Fighting Fire Book 1) Lauren Blakely

A sexy category romance novella from Entangled's Brazen imprint...

She's the one fire he can't put out...

Jamie Lansing has had it bad for firefighter Smith Grayson for as long as they've been friends. Yes, he's ridiculously charming and she *might* stare a little too long at his abs, but his dirty-talking, rough-around-the-edges ways aren't for her. Plus, she knows that as a serial dater, Smith isn't the type to settle down. But then a terrible, fantastic, mind-blowing mistake leaves her body craving more than one night.

Smith Grayson has only ever had eyes for one woman in town--his best friend Jamie. But convincing her a relationship between them will work is next to impossible with her refusing to see beyond his past. But when she asks for a week of no-strings-attached sex to get him out of her system, Smith knows this is his one chance to prove he's not just the man she needs in her bed, but the man she needs in her *life*.
