## Red As Blood: Tales from the Sisters Grimmer (Expanded Edition) Tanith Lee

- What if Snow White were the real villain and the "wicked queen" just a sadly maligned innocent? What if awakening Sleeping Beauty would be the mistake of a lifetime — of several lifetimes? What if the famous folk tales were retold with an eye to more horrific possibilities? Only Tanith Lee — "Goddess-Empress of the Hot Read" (Village Voice) — could retell the world-famous tales of the Brothers Grimm (and others) as they might have been told by the Sisters Grimmer!
- This special edition, conjured together for the 30th Anniversary of the original edition, adds a new *Grimmer* fairy tale written especially for this volume!
