The Hitwoman and the Sacrificial Lamb: Confessions of a Slightly Neurotic Hitwoman Book 12 JB Lynn

Some jobs are more challenging than others.

Take for example, Maggie's latest assignment: assassinating a heartless, indiscriminate sniper. He deserves to die, but making that happen is tricky, especially considering that a certain red-headed police detective has been assigned to protect him.

And that's not the only job Maggie has.

She's struggling to find a way to communicate with her pets and care for her orphaned niece, while searching for information about her sister who disappeared years earlier. An investigation that puts her in harm's way.

Maggie struggles to do all her jobs, while contending with her nutty family, vague psychic predictions, an unexpected chicken, and a complicated romantic relationship.

Is she up for the challenge? Or will one mistake cost her everything?
