The Missing Exploding Girl: Superhero Detective Series, Book Two Darius Brasher

I am Truman Lord, superhero and private eye. Don't be jealous because I have powers and can shoot the wings off a gnat. I'm humble. I don't think I'm better than anybody.

Not all Metahumans feel the same way. Some Metas think their powers make them better than normal people. Those are the types of Metas who want to control the world. Not me. If I can control my beautiful but bloodthirsty friend Shadow, I'm content with that.

When I was hired to find Clara Barton, a teenaged Meta who can explode at will, little did I realize Shadow and I would have to go head-to-head against a group of Metas who sought world domination. I had to try to stop them.

Those world conquering types give the rest of us Metas a bad name.

Book Two of the Superhero Detective Series is full of action, intrigue, drama, and a dash of humor. It is a standalone novel that can be enjoyed without having read Book One, Superhero Detective For Hire.
