The North American Phalanx (1843-1855): A Nineteenth-Century Utopian Community Jayme A. Sokolow

This is the first full-length study of the North American Phalanx, one of the most important utopian communities in antebellum America. Established in the fall of 1843 outside Freehold, New Jersey by American followers of the French philosopher Charles Fourier, it developed into a community that followed the tenets of American Fourierism more closely and successfully than any other communitarian experiment. This book contains seventeen black and white photographs.
