Arkansas Duck Hunter's Almanac Steve Wright, Steve Bowman

The Arkansas Duck Hunter's Almanac received rave reviews when it was first published in softcover in 1998. One complaint was the lack of a hardcover edition. For all those who are so passionate about the great Arkansas tradition of duck hunting, this edition presents that option. Although the hardcover book has 16 new pages of duck hunting photographs, it isn't a revision of the original printing. The only changes in the text are slight additions and deletions concerning clarity and accuracy. Unchanged is the ultimate goal of the book -- to record as much history as possible so more people can fully appreciate the significance of this Arkansas duck hunting heritage.
