As a child growing up one of my fondest memories was reading at the end of certain storybooks, "The moral of the story is" . . . With the richness of moral value etched within my character at such a young age. I believe now, even as an adult, that it's of great importance to continue to share this fundamental nature which will help lead the way for future generations because so many have fallen off the path or never known the essence of morality. At the end of each chapter the reader will see, "The moral of the story is" . . . in order to meditate on and apply in their daily walk with God. While, each moral is not all inclusive, it's a guideline to help the reader be introduced to the leading of the Holy Spirit. I pray that each reader's life will be transformed by the renewing of their mind in Christ Jesus! Be Blessed!
