From the bestselling author of *Owen & Mzee*, a picture book about Knut, the adorable polar bear cub who's captured hearts around the world.

When Knut was born, the first polar bear cub at the Berlin Zoo in more than thirty years, he was no bigger than a snowball and unable to care for himself. His mother, a rescued East German circus bear, didn't know how to take care of Knut and rejected him. Knut would have died if it weren't for Thomas Dorflein, a zookeeper who nurtured Knut, feeding him, sleeping with him, and giving him the love and attention Knut needed to thrive. But Thomas wasn't the only one who adopted Knut. The adorable little polar bear captured the world's attention, and now Knut is loved around the globe.
