No More Victims Frank Peretti

It happens every day. People are deeply wounded by the words and actions of those around them. And it affects them for the rest of their lives. We've all been there - we've all been wounded and we've all wounded others. But it's time to become "wounded healers," loving and protecting the people around us. *The Wounded Spirit* has become more than a book. The message has connected with thousands and has become a national movement. This 64-page call to action, entitled *No More Victims*, is designed as a giveaway to students for them to join in the fight against bullying.
