More than 800 unsolved cases that continue to baffle investigators. When it comes to crime, truth is often stranger than fiction. Many of the cases that have stumped investigators are among the strangest on record. Whether due to a lack of leads and evidence or to bizarre and baffling circumstances, many of the mysteries presented in this book have remained unsolved despite years of investigation by qualified law enforcement agents. Several of them have become legendary and drawn the attention of amateur sleuths around the world, but still they remain open. "The Encyclopedia of Unsolved Crimes, Second Edition" examines more than 800 cases in total, presenting readers with the facts, evidence, and theories connected with each one. This compelling encyclopedia presents criminal mysteries from the 19th and 20th centuries, including murders, robberies, missing persons, kidnappings, serial killers, and more. Each entry documents the events of the crime, the victims, the alleged perpetrators, the key points of the police investigation, and the current status of the case. More than 90 new cases have been added for this edition, and many others have been updated to reflect recent developments. The cases covered include: The Anthrax murders; The Black Dahlia; Bob Crane; Iranian Chain Murders; Jimmy Hoffa; Natalee Holloway; Jack the Ripper; Madeline McCann; Tylenol Murders; and, Zodiac Killer. Written in a straightforward, A-to-Z format and featuring 69 black-and-white photographs, "The Encyclopedia of Unsolved Crimes, Second Edition" is a must-read book for anyone who wants to know more about these intriguing mysteries.
