Holman Bible Editorial Staff

The Holy Bible: HCSB Digital Text Edition: Holman Christian Standard Bible Optimized for Digital Readers Holman Bible Editorial Staff

This updated text edition of the *HCSB* is optimized for easy reading on digital devices. Free from the visual clutter of footnotes, cross references, and other links, this edition is fast to navigate and easy to use.

The *HCSB* was developed by 100 scholars and English stylists from 17 denominations, who prayerfully translated what is one of the most significant Bible translations available today. The *HCSB* reflects linguistic advances in vocabulary, grammar, punctuation and formatting while it retains meaningful theological terms. In the *HCSB* you'll find God's personal name (Yahweh), the use of "Messiah" in the New Testament, and the use of "slave" in the New Testament, just to name a few examples. Also, you'll notice the contemporary speech patterns in the *HCSB* mean that words like "behold" and "shall" are not used. Instead, words or phrases that are common today can be found in their place.

The *HCSB* employs a first-of-its kind translation philosophy known as Optimal Equivalence, which seeks to achieve an optimal balance of literary precision and emotive clarity through a comprehensive analysis of the text at every level. This process assures maximum transfer of both words and thoughts contained in the original.
