For introductory Spanish courses. This lively and practical Elementary Spanish Program combines the very best elements of contemporary approaches to language instruction, skill building, and practice of the five skills-listening, speaking, reading, writing and culture. It gives students the opportunity to understand the relationship between culture and language throughout the Spanish-speaking world and to compare English and Spanish at both the cultural and linguistic levels. The new Enfoque interactivo section in every chapter integrates the exciting new media: The Fortunas video, the Activity CD-ROM and the website. This new edition also offers an electronic Workbook and Lab Manual, which contains all the content of the paper versions plus the audio for the Lab Manual. The electronic Workbook and Lab Manual are available through the Mosaicos Premium Companion Website or with course management - BlackBoard, WebCT or CourseCompass.
