Organizational Behavior (with CD-ROM and InfoTrac 1-Semester Printed Access Card) Don Hellriegel, John W. Slocum

ORGANIZATIONAL BEHAVIOR, 11th edition presents classic and emerging organizational behavior trends and research, making the subject both accessible and meaningful for students. To make the connection between theory and practice, the authors include timely examples, exercises, and high-interest cases. To help students focus and understand the importance of organizational behavior, the authors introduce seven managerial competencies that are essential to being an effective leader or member of an organization. These competencies are introduced early and woven throughout in special features, exercises, and an interactive self-assessment tool.
