When other publishers are subdividing the Sierra Nevada into overly detailed miniature guides to increase the number of books for sale, California Roadtrip 395 brings everything into one source. California Roadtrip 395 explores the east side of the Sierra Nevada, covering activities along Highway 395 starting at the Mojave Desert and ending at the Oregon Border. Activities described include mountain biking, rock climbing, peak bagging, day hiking, fishing, geology, historic mining camps, hot springs, and camping. This guide serves as a first pass introduction to the region with special focus in Owens Valley, Mammoth Lakes, Mono Lake area, Reno, Lake Tahoe, and Mount Lassen. Most activities can be done in a single day, are accessible from Highway 395, and are accompanied by maps and photographs. These trips represent some of the most classic or high quality rides, hikes, climbs, and camping available.
