This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1832 edition. Excerpt: ... different parties, and, above all, the destitution of which they took advantage, overcame all principles of subordination, all sentiments of loyalty, and filled the people with a rage which rendered them as blind to their own interests as unjust towards those of the ranks above them. Riot' and waste spread and grew from day to day, and the wise saw no more prospect of relief than the foolish of danger. The king had been told, on the day the Bastille was taken, that his capital was in a state of revolution; but, nearly three months afterwards, he was still wondering what the event might mean; talking 'over with the queen the kindnesses he had always intended showing to his people, and assuring the people's parliament that the best thing he could do for them was to preserve his dignity and prerogative. He could still at Versailles ride abroad unmolested in the mornings, feast his' body-guard in the middle of the day, and look on while the ladies of the court were dancing in the evening, and sleep the whole night without hearing the drums and larums which kept all Paris awake; and could not therefore believe that all would not come right, when the people should have been persuaded of the atrocious unreasonableness of the Declaration they wanted him to sign. When he heard that they drowned their flour in hatred of him, he did all he could think of in ordering that more should be given them; and when the queen discovered that which every one would Lave kept from her,--that she was hated,--she curled her prpud lip, and reared her graceful head, and thought that the citizens must be ignorant indeed if they fancied they could understand her springs of action, or believed that they could intimidate her. With the dauphin at her knee, she...
