Nitrification Prevention and Control in Drinking Water (M56): AWWA Manual of Practice (AWWA Manuals) American Water Works Association

This new edition incorporates practical approaches from the past 7 years in nitrification treatment. Of note are sections on UV control, biofiltration, booster chloramination, biodegradation and new molecular methods. This manual contains all the information needed to prevent, treat, monitor, and control nitrification. Along with background and occurrence of nitrification, best practices are discussed in detail.
