ABCs for Daddy! is second in the Young Parenting Series and focuses on a father's role in building and developing character in the lives of his children. ABCs for Daddy! explores one positive character trait for each letter of the alphabet. Each positive character trait is showcased with a quote and a short sketch of the person quoted. Each of the 26 quotes and accompanying sketches are meant to provide inspiration. ABCs for Daddy! serves as a meaningful resource for use in group or individual meetings with fathers. Additionally, the two books from the Young Parenting Series, ABCs for Mommy! and ABCs for Daddy! provide inspiration for both parents working together to establish a strong value system that enhances their relationship with each other and their children. Each positive character trait presented is followed by an exercise to enhance and review the learned trait. The exercises are useful tools that encourage dialogue and enhance your understanding of the material presented.
