Possessed: The Life of Joan Crawford Donald Spoto

New York Times bestselling author Donald Spoto has already brilliantly explored the lives and careers of numerous Hollywood stars and entertainment icons—Grace Kelly, James Dean, Alfred Hitchcock, and Marilyn Monroe, to name but a few. In *Possessed*, his subject is the inimitable Joan Crawford, one of the most electrifying divas of the Golden Age of American film. A more thorough, revealing, and sympathetic portrait of the often maligned movie star—most notably lambasted, perhaps, in the scandalous bestseller, *Mommy Dearest*—*Possessed* is a fascinating study of the real Joan Crawford, a remarkable actress, businesswoman, mother, and lover. <?xml:namespace prefix = o ns = "urn:schemas-microsoft-com:office:office" />
