A Concise Dictionary of Indian Philosophy: Sanskrit Terms Defined in English John Grimes

It contains etymological roots and the meanings of terms fundamental to epistemology, metaphysics, and practical teachings of the heterodox and orthodox schools of Indian philosophy. Cross-referencing has been provided and various charts are included that provide information regarding relationships, categories, and sourcebooks relevant to the individual schools. This new and revised third edition presents a comprehensive dictionary of Indian philosophical terms, providing the terms in both devanagari and roman transliteration along with an English translation. It offers special meanings of words used as technical terms within particular philosophical systems.
