A Great Novella from Entangled's Indulgence imprint For just one night, Georgia Taylor wants to forget about her demanding job and the everyday struggles of being a single mom. Her track record with men is pitiful, but that's fine because her responsibilities don't leave room for love anyway. The new online dating site is perfect for what she's after. But Georgia's plans are crushed when Brent Turner, aka Sexy Dad and father of her daughter's classmate, turns out to be her internet date, therefore, eliminating any possibility for a night without consequences. All of Brent Turner's honorable intentions fly out the window when he sees highly strung "Super Mom" waiting for her date at the bar. Determined to win Georgia's trust and show her a good time, their no-strings evening promises to become so much more...until, that is, she discovers his hidden agenda.
