Can I Touch It? (Taboo Forbidden Erotic Bundle) Jenny Skynn

“I’ve never seen one before” I said, sucking my thumb. “Can I touch it?”

Let Jenny Skynn take you on a whirlwind trip of taboo tales with this amazing collection! Four books for the price of one, this insane group of over 12,000 words is guaranteed to keep you feeling hot and panting for more!

This sinful group is for mature audiences only, and contains:

* Can I Be Next?

"Now" I said, my heart beating as I dropped my towel. His eyes scanned my body, his mouth dropped open...

I've wanted him for so long... He's been taken, forbidden fruit. But I want him. I NEED him. Today, it's my turn. Today, I'm next.

* Lust In The Woods

"Shhh" I sighed, as I felt his tongue touching my skin. He ran his lips along my neck to nuzzle at my earlobe as I felt my breathing quicken. "Just let it happen..."

I've always wanted him, I just didn't know how much until it was almost too late. As we came of age we went away for a last camping trip together - just the two of us this time - before we both moved away.

The two of us, a rainstorm, one tent... I suppose it was bound to happen. And when it did, things were going to get VERY hot.

* Double In Trouble

“Keep fucking her” he ordered, not even looking at Sophie. His eyes instead on me, staring into my soul. “You keep fucking her while she sucks my cock...”

Sophie and I have always been so close. We grew up together, shared a room, bathed together and groomed each other. Now, we're about to fuck each other with the strap-on that we bought...

Until we were disturbed. The man of the house was home, and we were in BIG trouble...

* Drawn Together

I've always loved art. I love painting, I love drawing. But now I'm in trouble - I need to pass this class or I'm

going to fail the course. Next week there's going to be a male model, and I'm going to have to draw him - naked.

I need help, I need to practice. I didn't think that he would offer, I didn't think that he would do it... after all, we grew up together, we played, we talked, we've teased each other for years. And now here I am, in his room - getting ready to draw him.

Something tells me that there's not going to be much homework done today...
