Peetie's Miracle Tamara L Porter

A heart-warming book written for children, but inspirational to all ages. With such a big world to watch over, does God have time to care for one little dog? The Cavanaugh family was driving home to California after a wonderful Easter Weekend visit with family in Tucson Arizona. About half way home, they stopped to stretch their legs on a vacant lot in the small town of Tonopah Arizona. After a picnic breakfast, they climbed back into their car and headed down the road. Several hours passed before they realized that Peetie, their one-year-old Jack Russell Terrier, was no longer in the car with them. He was missing! They had not stopped since Tonopah. The Cavanaugh family prayed as they quickly turned around to go back to try to find Peetie. "Dear God, Please send someone to help Peetie not be so scared, and please protect him from cars, coyotes, rattlesnakes, and the hot desert sun. Please help us find him." Poor Peetie was frightened, lost and alone in the Arizona desert. His family was gone. Would he ever find them? All morning Tammy's heart had been heavy with the feeling that there was something she needed to do, but she just could not figure out what. She did not know it yet, but God wanted her to rescue Peetie and reunite him with his family. She had already made other plans for the day. Would she listen to her heart? Could anyone rescue little Peetie? Was it even possible for a family to drive 450 miles to return to a tiny spot in the desert, in the middle of nowhere, and find a tiny eight-pound dog? Then even if someone did find him, would that tiny dog be alright? Two of my favorite Bible verses are: Psalms 46:10 "Be still, and know that I am God..." Matthew 25:40 "And the King shall answer and say unto them, Verily I say unto you, Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me."
