“You let him touch you?” He asked, and I distinctly heard jealousy in his voice, not anger.

I'd had **forbidden** feelings about **the man of the house** for as long as I could remember--it didn't matter how **taboo** my **urges** were, I couldn't shake them. I wanted to **save myself** for him, as his **pure** and **innocent** prize... but he never made a move! So I took things into my own hands and started seeing a football player, but the **alpha male** in my life didn't approve.

After a date gone wrong I call him to pick me up, explaining to him on the ride home that things got out of hand and he'd tried to *touch* me... but instead of punishing me, he wants to **show me** how a **real man** touches and pleases. He gives me the ride of my life, **hard** and **unprotected**, in more ways than one.
