Millions of pounds in gold bullion are being pirated in the Irish Sea--and investigations by the British Secret Service, and a sixth sense, have brought Philip Calvert to a bleak, lonely bay in the Western Highlands. But the sleepy atmosphere of Torbay is deceptive: many mysterious disappearances have occurred there, and even the unimaginative Highland Police Sergeant seems to be involved. But why?

This high-stakes heist story shows Alistair Maclean at his enthralling best, with all the edge-of-the-seat suspense and dry humor that millions of readers have devoured for years.
